The rates posted in these charts are the current maximum allowed, fee-for-service, rate for the code. However, services may be reimbursed at an adjusted rate when one or more of the following apply:

A. **Services marked with an (a)** are subject to a "cutback" when provided by a master's level enrolled provider (80% of maximum allowed rate). The master's level cutback does not apply to services provided in a Community

B. Some services are adjusted in accordance with legislated rate enhancements. Effective 7/1/07, **services marked with (b)** are reimbursed at 23.7% over the posted rate when the service is provided by one of the provider
a. Psychiatrists and APRNs
b. CMHC;
c. Mental health clinics and centers certified under DHS Rule 29 and designated by the MN Department of Health (MDH) as essential community providers; or,
d. Hospital outpatient psychiatric departments designated by MDH as essential community providers
e. CTSS providers who did not qualify for the 23.7% rate increase on July 1, 2007 received the 23.7% increase on 1/1/08 for certain approved services. See Provider Update MHS-08-01 for more details.

C. **Services marked with a (c)** are "new" services that are available for reimbursement after September 15, 2015

D. **Services marked with a (d)** are modified services that are available at the new rates starting July 1, 2015.

E. Other general notes:
1 Starting in January 2011, many rates for CPT codes (those not starting with "H" or "S") were recalculated based on the Center for Medicare and Medicaid (CMS) Resource Based Relative Value Scale (RBRVS)..
2 An additional 2% over the rate shown is added to payments subject to the MinnesotaCare provider tax.
3 All listed services if provided by the Indian Health Service are reimbursed at the Federal encounter rate. Qualified Tribal Agencies (638) can choose to either receive the Federal encounter rate or the listed rate (MHCP Manual).
Federally Qualified Health Centers (FQHC) reimbursement for a mental health encounter is at the facility specific FQHC medical rate.
