

# OFFICE OF REFUGEE RESETTLEMENT

An Office of the Administration for Children & Families

Dear Workforce Development Partners and Refugee Service Providers,

Please join us for a targeted webinar, sponsored by DEED, DHS, and the Office of Refugee Resettlement, about how Minnesota's WorkForce Centers and the state's refugee service providers can collaborate even better to help refugees find good jobs, take advantage of education and training opportunities, and build the skills they need for career advancement.

During this webinar, we'll discuss new ways we can work together to provide the following for refugees:

- More and better jobs
- Job-search guidance and assistance
- Career planning
- Vocational and other services for refugees with disabilities
- More adult education resources
- More connections to other government and community services

We're certain you have lots of good ideas to share. We're eager to hear them. Who knows the hidden opportunities and untapped potential we may discover? There's a good chance that our conversations could lead to a federally-funded technical assistance pilot project.

Please spend an hour with us to explore the possibilities on **Friday, June 12<sup>th</sup> from 10 – 11 AM** Central Time. To register for the webinar, please email Heidi Erm at [heidi.erm@icfi.com](mailto:heidi.erm@icfi.com).
