**TERMINOLOGY NOTICE**

The terminology used to describe people we serve has changed over time. The Minnesota Department of Human Services (DHS) supports the use of "People First" language.

## **BACKGROUND**

This bulletin contains the information, per diem rates and percentages, needed to claim Title IV-E federal reimbursement for children's residential group facilities and Rule 4 child placing agencies, as well as information needed to claim Medical Assistance (MA) federal reimbursement for children's group residential facilities with mental health certification.

The per diem rates are established when the lead county (host county) establishes or amends the contract and properly notifies DHS using form DHS-2825. The per diem rates in this bulletin are effective for the dates of service beginning October 1, 2014.

DHS calculates percentages using time studies and cost reports from the participating facilities. These percentages represent the portions of the per diem which are federally reimbursable under Title IV-E. These percentages are calculated annually and will change on April 1, 2015.

## **OVERVIEW OF ATTACHMENT A**

### **Per Diem Rates and Percentages**

Attachment A contains the per diem rates and percentages for the various types of facilities. Each type of facility is a separate group in the attachment. The page format for all groups is the same. However, not all columns are applicable to every group so some are left blank. Please refer to the Title IV-E Abstract Bulletin #12-32-05 (March 1, 2012) for information on the required claim elements, types of eligible claims and how the Title IV-E information in this bulletin is used to claim reimbursement through the IV-E Abstract.

### **Column Headings**

#### Facility & Program Name

Name of the IV-E approved facility and program.

#### County/City

Name of the county that holds the lead contract. Except on page "Group 2 – Out-of-State Facilities", this column lists the name of the city and state where the IV-E approved program is located.

#### Rule Code

The code that identifies the type of claim.

#### DHS Lic# / Automation number

The provider code that identifies the eligibility of the provider's licensure.

IV-E Sub Code

An additional code added to the provider code when facilities operate multiple programs under the same license.

Approved Per Diem

The per diem rate recognized in the lead county contract.

Approved IV-E Maintenance%

The percentage of the approved per diem that is eligible for Title IV-E maintenance reimbursement. Title IV-E maintenance reimbursement is currently 50 percent of the eligible maintenance cost. [The per diem rate times the Approved IV-E Maintenance% times 50% equals the IV-E reimbursement for one day.]

Approved IV-E Intake/Planning%

The percentage of the approved per diem that is eligible for Title IV-E administration reimbursement. Title IV-E administration reimbursement is 50 percent of the eligible administration cost. [The per diem rate times the Approved IV-E Intake/Planning% times 50% equals the IV-E reimbursement for one day.]

Approved IV-E Training%

The percentage of the approved per diem that is eligible for Title IV-E training reimbursement. Title IV-E training reimbursement is 75 percent of the eligible training cost. [The per diem rate times the Approved IV-E Training% times 75% equals the IV-E reimbursement for one day.]

Approved MA%

The percentage of the approved per diem that is eligible for Medical Assistance service reimbursement. Medical Assistance reimbursement is currently 50 percent of the eligible MA cost. [The per diem rate times the Approved MA% times 50% equals the MA reimbursement for one day.]

Current Contract or Current License

The effective dates for the current Lead County contract. Except on page "Group 2 – Out-of-State Facilities", this column lists the effective dates for the program's current license.

NOTE:

The total of the approved percentages do not equal 100%. The difference between 100% and the total of the approved percentages is the portion of the per diem that is not eligible for any federal reimbursement.

**Page Titles**

Children's residential facilities and child placing agencies which have been reviewed and approved as Title IV-E eligible programs appear in Attachment A on one of these pages:

Group 1 – Children’s Group Residential Facilities with Mental Health Certification

These are the programs that are licensed by DHS as “Children’s Group Residential Facilities” with “Mental Health Treatment.” This also includes specific out-of-state mental health treatment programs that are located in a state that borders Minnesota and that have met all of the requirements for Minnesota Statutes, section 256B.0945.

Group 1 – Group Residential

These are the programs that are licensed by DHS as “Children’s Group Residential Facilities.”

Group 1 – Other Facilities

These are the programs that are licensed by either the Minnesota Department of Corrections or by a tribal government as “Children’s Group Residential Facilities.”

Group 2 – New Facilities

These are all of the new programs that have been approved for Title IV-E reimbursement but have not yet participated in a DHS time study which determines the facility-specific percentages. This group uses median percentages.

Group 2 – Other Facilities

These are the programs that are licensed by DHS as independent living programs.

Group 2 – Out-of-State Facilities

These are the programs that are licensed by other states as children’s group residential facilities.

Group 4 – Rule 4 – Child Placing Agencies

Group 4 is used to recognize the “administrative” per diems of eligible Rule 4 (Minnesota Rules, Parts 9545.0755-9545.0845) child placing agencies. These child placing agencies appearing in Group 4 have chosen to participate in the Placing Agency Time Study (PATS), and therefore a portion of the “administrative fee” charged to counties for children placed in family foster homes through these child placing agencies is eligible for Title IV-E reimbursement.

NOTE:

Some programs will move from the *Group 2 – New Facilities* page to an appropriate Group 1 page when the new program has completed one year of participation in a DHS time study and has had its own facility-specific percentages calculated.

The *Group 1 -Children’s Group Residential Facilities with Mental Health Certification* programs are eligible for MA reimbursement as well as Title IV-E. The “Approved MA%” is the percentage of the per diem eligible for MA reimbursement. This data is not included on the Title IV-E Abstract. MA claims must be submitted to MMIS separately. The MA information is published to assist counties in claiming federal MA reimbursement.

## OVERVIEW OF ATTACHMENT B

### Notice of Contracted Per Diem Rates

Attachment B, form **DHS-2825**, is required when submitting information about facilities and/or programs regarding contracts and per diem rates. It is also required for all changes and renewals for existing programs and all new programs, or new facilities. This form is available in an electronic format on CountyLink under eDocs.

## OVERVIEW OF ATTACHMENT C

### Title IV-E Checklist

Attachment C, form **DHS-6634**, is required and must be submitted when requesting Title IV-E eligibility approval for new facilities and/or programs. This form is available in an electronic format on CountyLink under eDocs.

## OVERVIEW OF ATTACHMENT D

### Facilities Licensed by Corrections

Attachment D was added to this bulletin in response to county requests for more information about facilities licensed by the Minnesota Department of Corrections. This attachment lists all juvenile correctional facilities licensed by the Minnesota Department of Corrections. The facilities are listed alphabetically and include location and security status of the beds. Remember that **not all of these facilities are Title IV-E eligible**. If a program from a licensed correctional facility is Title IV-E eligible, it will be listed in Attachment A.

NOTE:

The eligibility determination process can take time; therefore, DHS recommends that lead counties submit the required materials within the first 30 days of the calendar quarter.

If all requested documentation has been received within the first 30 days of the quarter, determination can generally be made in that same quarter. Approval or denial notifications, with an explanation for denials, will be sent to the lead county.

In some instances, further research or follow up may be required to determine eligibility. If this is the case, it may delay the determination process and result in a later effective date.

### ○ **Notify DHS of Per Diem Rate Changes**

County agencies must notify DHS of per diem rate changes involving approved children's group residential facilities and Rule 4 child placing agencies. For Title IV-E claiming purposes, DHS will implement changes in per diem rates after the notice of the rate change has been received. Although the county may renew a contract and back-date the effective dates on the contract, those dates might not be the effective dates that DHS uses when publishing the quarterly per diem bulletin. All changes need to be received within the first 30 days of the calendar quarter.

Lead county human service agencies must notify DHS of per diem rate changes for all facilities and programs appearing in Attachment A of this bulletin. Form DHS-2825 (Attachment B) is to be used for this purpose. It is recommended that lead counties negotiate per diem rate changes to be effective on the first day of a quarter and that these changes cover the entire quarter. Counties should then notify DHS using form DHS-2825 within the first 30 days of that quarter. This will maximize federal Title IV-E revenue to all counties. Form DHS-2825 must be signed by the director of the lead county or an official authorized to sign for the director.

EXAMPLE 1: The lead county contract specifies a new rate effective January 1, 2015 and DHS receives the notice of the rate change (DHS-2825) on or before January 30, 2015. The new per diem becomes effective for Title IV-E claims for service dates beginning January 1, 2015.

EXAMPLE 2: The lead county contract specifies a new rate effective January 1, 2015 and DHS receives the notice of the rate change (DHS-2825) on February 1, 2015. The new per diem does *not* become effective for Title IV-E claims until April 1, 2015.

EXAMPLE 3: The lead county contract specifies a new rate effective January 2, 2015 and DHS receives the notice of the rate change (DHS-2825) on or before January 30, 2015. The new per diem does *not* become effective for Title IV-E claims until April 1, 2015.

### ○ **Notify DHS of Lead County Contract Renewal**

Lead county human service agencies must notify DHS if a new lead county contract has been negotiated, even when the per diem rate has not increased, or if an existing

contract is extended. The *Notice of Contracted Per Diem Rates*, form DHS-2825, is to be used for this purpose.

○ **Notify DHS of Closed Facilities**

County agencies are asked to submit written notification to DHS when a group facility or placing agency has closed or is in the process of closing including the date of closure.

○ **Procedures for Out-of-State Facilities**

To keep accurate records of out-of-state facilities, DHS requests that the lead county submit the DHS-2825 (Attachment B) along with documentation identifying the facility as Title IV-E approved by its home state, and include a copy of the facility's current license(s) and program description. To keep the list of out-of-state facilities current, submit copies of all license renewals. If the license expires, the facility will be removed from the list.

○ **Procedures for Out-of-State Facilities that Border Minnesota**

Counties that hold the lead county contract with a facility that is located in a state that borders Minnesota, and this facility has already been certified by the Minnesota Department of Corrections (MnDOC) as operating a program consistent with Minnesota children's residential mental health treatment standards, in compliance with Minnesota Statutes, section 256B.0945, should submit the DHS-2825 (Attachment B) along with a copy of the facility's current license(s), a copy of the MA certification document that includes the date of certification, and information on the facility and its programs. If this is a new program that has not previously been approved for Title IV-E reimbursement, the lead county must also submit documentation identifying the facility as Title IV-E approved by its home state. An updated form DHS-2825 and a current facility license will be required every year. The DHS Licensing Division maintains a list of DHS licensed children's residential facilities located in states that border Minnesota that have been inspected by DHS and certified by MnDOC. Facilities and programs that do not appear on this list are not eligible for MA reimbursement for Minnesota counties.

○ **MA Reimbursement for Out-of-State Children's Mental Health Treatment Facilities Bordering Minnesota**

The criteria for Out-of-State Children's Mental Health Treatment Facilities that wish to participate in Minnesota's Mental Health Certified Facility quarterly time study and be included in Attachment A of the quarterly Per Diem Bulletin are as follows:

- 1) The out-of-state facility bordering Minnesota must become certified by the Minnesota Department of Corrections and licensed the Department of Human Services as an out-of-state children's mental health treatment facility (Minnesota Rules, chapter 2960.0580 to 2960.0700) and pay the \$5,000.00 inspection fee.

- 2) The out-of-state facility bordering Minnesota must enroll as an MA provider for Minnesota clients and receive a UMPI number from the Department of Human Services or have an already established NPI number. (Each program per diem must have a separate UMPI number.)
- 3) The out-of-state facility bordering Minnesota must sign a lead county contract with a Minnesota county.
- 4) The out-of-state facility bordering Minnesota must agree to participate in Minnesota's Mental Health Certified group facility quarterly time study.
- 5) The lead county holding the contract with the out-of-state facility bordering Minnesota must submit paperwork to the Financial Operations Division at the Department of Human Services to have this facility added to the Mental Health Certified quarterly time study and the quarterly Per Diem Bulletin, per instructions in this bulletin.

**NOTE:**

Facilities will not be listed in the quarterly Per Diem Bulletin until all documentation is received by DHS and the program is approved for federal reimbursement.
